

10/21-24/1982, page 1

For the first time since the Committee was formed, I missed a meeting--the one that was held on Thursday, October 21, 1982. I had too much work to do at Salomon Brothers and could not get away in time in order to get the bus at 3:15 P.M. I was fit to be tied, as they say. I telephoned Joe Pascoe and asked him if he would take charge of the meeting. He said that he would be happy to. Ten people attended the meeting: Joe Pascoe, Sue Stephens, Nan Loftus, Nan Daniels, Ann Rogalski, John Revak, Dorothy Essif, Bob Tomaine, Kay Shifler, Oliver Shifler. The Committee decided to hold the November 6th dinner at Morrison's Catering Hall on Pike Street. \$6.50 per person, a buffet, we must let them know two days before hand the number of people who will be attending, there must be 25 persons at a minimum. Sue Stephens, nee Barlow I think, has attended the last two meetings and she is the woman who wrote "Benny's By-Line" for the Carbondale paper when we were in high school. She is very enthusiastic and has volunteered to do the publicity for the dinner. Her telephone number is 282-6245. Sue Stephens (nee Barlow I think) wrote "Benny's By-Line" for THE CARBONDALE NEWS when we were in high school, so DWP told me on 10-26-1982 during his one day trip to New York to speak with his advisors at Columbia University about his dissertation. Sue Stephens is very willing to do everything that she can and has said that she will do the publicity for the dinner, which is excellent. It is very nice to have someone who is ready, willing and able to be of assistance to me. She said that she will speak to Phil Heth and to the TIMES and the TRIBUNE and get notices in the paper. I believe she said that she knows Rinaldi well, which is excellent. The Committee decided that we will eat dinner on the 6th at 6 P.M. and elect officers and have installation of officers and a program after the dinner, which is fine with me. Nan Daniels (282-3430) and Ann Rogalski (282-5508) have volunteered to handle phone reservations for the affair. Kay and Oliver Shifler have suggested that we have a Nominating Committee which will select a slate of officers for the CHS for 1982-1983 and the Nominating Committee will present the slate for voting on by the entire membership on 11-06-1982. The members of this Nominating Committee, which is chaired by Joe Pascoe, are Joe Pascoe, Kay Shifler, Oliver Shifler, Sue Stephens, and SRP. At the dinner we will have a table display of CHS items for sale. We will deliver a shipment of CHS materials to Reynolds' Gift Shop and leave it with them on consignment. This will be done after the dinner. I think we should have a Christmans sale of CHS items. All of the above information about the 10-21-1982 meeting I learned from Joe Pascoe who telephoned me at the Homestead on Friday early evening. Joe suggested that I talk with the Shiflers, which I did, and Kay and Oliver told me that the CHS Board of Directors consisted of three active members who were elected for three years plus the officers of the CHS, which means that the Board of Trustees of the CHS will consist of 6 people all totaled. The CHS is presently composed of the following committees: 1. Budget and Finance, 2. House and Reception, 3. Membership, 4. Program, 5. Building and Maintenance. The Committee to Restore Carbondale City Hall will be the sixth committee of the CHS. The Shifler's

October 21-24, 1982, page 2

reported that there were 81 active members of the CHS in 1976-1977. The Shiflers and Joe Pascoe and I agreed that the Nominating Committee should meet at 7:30 P.M. on 11-04-1982 at 7:30 P.M. to make sure that the slate of proposed officers and trustees is in order and that all last minute details are set for the dinner. That is a good idea. On Thursday night I stayed at the office late and worked and came to work on Friday morning and called HLRP to say that I would be on the bus that arrived in Scranton (Martz Bus) at 3:30 P.M. The bus left NYC at 1:15 P.M. I made the bus with no difficulty and rested all the way to Scranton. I listened to Schoenberg's GURRE-LIEDER and to PETROUSHKA and CIRCUS POLKAA. WSP met me at the bus and we drove to Carbondale, where we drove into the drive-in window at the Liberty Bank where I made a deposit in the account of the CRCCH--\$55, which brings the total in the CRCCH account to \$4243.57. I handed the deposit book to WSP, at the wheel, and he handed the book to the woman at the drive-in window. I have the feeling that WSP had never been to a drive-in banking window before. He enjoyed the experience.

From the Liberty Bank we drove to the First National Bank and I ran into the Bank and made a Sheffield Publications deposit. From there we went to the Post Office and I picked up the contents of the mailboxes (151 and 161). At the Homestead, I read through the mail and ate chili and got the phone call from Joe Pascoe about the meeting on Thursday night, the content of which is reported above. Friday evening I prepared the mailing for Saturday morning--the orders for calendars were satisfying to fill. On Saturday morning I went to town and went first to the Post Office where I picked up some more calendar orders and processed them in the car outside the Post Office and then mailed them as well as the good quantity of back-issue orders that had arrived. From the Post Office I went to the Library where I dropped off the velobound volumes of Maplewood Cemetery records and the copy of the CPL Record Book. I then set out on foot to deliver the copies of the calendar that were ordered by the people of Carbondale. I walked up Salem and down Lincoln and over Park and over Wyoming and up Park and over to South Main and dropped off many copies of the calendar. It was an unusual experience and I enjoyed it enormously. I admired very much the remaining building of the Krantz Brewery on South Church Street. After I had delivered my last delivery I went into Thomas' News and Louise Thomas had a good supply of calendars. I was hoping, of course, that she was just about out and would need more, but she had a good supply.

I collected the money for the 25 copies that she had sold (\$80 for me and \$20 for her). I then went up to Goodwill and Mrs. Buberniak was there and we chatted and it was from her that I learned that the Carbondale teachers were on strike and that JVB was at home. I asked if he was involved in house repairs and Connie said no and then she got him on the phone and I suggested that I pick him up in twenty minutes. I drove up Canaan and into Dickson Hill and JVB did not see my arrive and I saw him standing there and waiting for me and I decided not to make a sound until he saw me as I knew he ultimately would. When he got into the car we drove up by the Krantz Brewery building that is still standing and JVB, naturally, knew the building and had walked by it and from there we went to the CPL where I showed him the books that I had presented to the CPL. Miss Muldoon and her associates were pleased to have the new Carbondale books. I suggested to Miss Muldoon that the bookcase in the cellar that presently has reader's digests in it might be a good case in which to keep
